

A landmark on Fig Tree Bay Beach since 1985

Combining the ultimate in design and hospitality! The Capo Bay Hotel is quite simply, the best beach hotel to stay in Protaras, Cyprus. Modern features blend in with traditional excellence in service and holiday accommodation. Exceptionally located in the heart of Protaras and a step away from the award winning blue flag Fig Tree Bay... Fig Tree Bay is the only beach in Cyprus which has earned a position in Europe's top 10 Beach Destinations!

It has a superb choice of facilities, including four restaurants, 3 bars, two outdoor swimming pools, including one for adults only, Padel Tennis courts, a supervised kids club and a modern spa centre offering aromatherapy, massages, facials and body treatments as well as an indoor pool.

During the last few years, the Capo Bay Hotel has been developing an innovative concept in which the hotel industry co-exists with the world of art. The Hotel has a choice of daily activities, dining venues and together with its unique surroundings make the Capo Bay a great choice for a contemporary art beach hotel.

ONEIRO SPA

Architect and sculptor Joseph Caspari has created an urban space with minimalist fuss-free elegance, in calming shades of grey and black.

Oneiro Spa is considered to be one of the best of Protaras Spa Hub's. We offer a variety of treatments to hydrate, remineralise, smooth and soften your skin, taking you to a new level of relaxation. We have integrated health and wellness into an urbane environment.

The Spa includes a sauna, jacuzzi, steam bath, Vichy shower, sanarium, a fully equipped gymnasium and a 15 metre heated indoor lap pool. It is a truly inspirational place for the mind, body, soul and spirit. The indoor pool is within the area of the Oneiro Spa. This is a smaller pool and the number of persons using the pool at any one time, is limited. The spa management reserve the right to turn away any persons that do not adhere to the rules and regulations of the oneiro spa indoor pool.

The Oneiro Spa Centre, excluding the indoor pool, is for use by persons of 16 years and over. At the beginning and end of the season, children may use this pool when accompanied by adults. Specific times will apply.

Grab your racquet and experience the thrill of this sport that's taking the world by storm!

LOCAL SIGHTS AND LANDMARKS

Cape Greko National Forest Park

The stunning southeast coast is filled with scenic cycle paths and walking routes, one of which forms part of the European Long Distance Trail E4. There is also the Aphrodite nature trail which stretches 2km along the northeast coast of Cape Greko which doubles up as the Cultural Route due to the mythical birth place of Aphrodite.

Cape Greko National Forest Park

By taking a boat trip, one will see the Palace sea caves and during calm seas, you may swim up to the caves and even walk in them.

The Environmental Information and Education Centre at Cape Gkreko

One of the first buildings on the island designed to take into account its environmental surroundings. It opened in 2017 to showcase the natural wealth of the Cape, as well as educate on the threats to the area's ecosystem and its preservation efforts.

The eco-friendly building incorporates a Welcome Centre, souvenir shop, exhibition rooms (with visual and audio guides explaining the different ecosystems of the coastal area and the sea), three aquariums (where visitors can view the marine ecosystems up close), and a café.

LOCAL SIGHTS AND LANDMARKS

Cyherbia Botanical Park, Avgorou village

A unique place to visit, the park features themed herb gardens, a large hedge maze, a forest planted in the shape of the island and a lavender meditation labyrinth. In the park, all kinds of certified organic Mediterranean herbs are grown, which are used in the production of teas, essential oils and cosmetics.

Thalassa Museum

The Museum is located at the centre of Ayia Napa and it has the sea as a subject-matter. It shows us the impact and the significance of the sea upon the history of the island. The exhibits of the museum cover a chronological span, from paleontological to historic periods until present times.

The Sculpture Park (outskirts of Ayia Napa)

This 20.000 square metres sculpture park and its adjoining cactus park, offer a beautiful setting for a stroll with stunning, panoramic views and benches along the way. It is an ongoing project to showcase the various cacti and dried plant varieties of the island. It consists of a large collection of pieces from artists around the world, who have participated in the Sculpture Symposiums held by Ayia Napa Municipality.
