

GENERAL CONCEPT

2025 / SUMMER

Calista is a stunningly beautiful young woman named after a queen in mythology. She takes pride in her beauty and ventures everything to make her beauty immortal.

Eventually, she achieves her goal. Calista starts to shine with a beauty that will make goddesses envious, and by harmonizing her outward beauty with the purity of her soul, she dedicates herself to acts of kindness.

In time, her soul becomes so radiant that it is no longer possible for her to remain a mortal being.

Calista is the goddess of beauty, embodying and reflecting pure, unblemished perfection.

Calista: flawless beauty, the Goddess of Beauty...
