BALMY FORESTA COZY CLUB

Balmy Foresta Cozy Club offers children a unique world of discovery by combining the magic of nature with technology. Thanks to our safe and fun playgrounds and workshops specially designed for children, parents can relax comfortably while the little ones have fun to the fullest.

While the activities designed intertwined with nature stimulate both their bodies and minds, they will be able to freely express their creativity with themes and inspiring workshops that are renewed every year. Here, every child discovers their own interests and develops their talents. At the same time, they become part of an unforgettable adventure. Discovering, learning and having fun are always together at Balmy Foresta!

Baby Concept

We organise sensory workshops that support social and motor skills for children aged 0-3 years with their families and offer constantly renewed themes. Our area, equipped with toys that support cognitive development, encourages the little ones' desire to explore, while providing a comfortable environment for families. We offer practical and healthy solutions for parents with our kitchenette with the most natural foods and special foods for babies.

Thanks to our sandpit, mini water park and new generation playgrounds, little ones have fun and have a safe holiday experience.

Kido Concept

Little ones between the ages of 4-7 will experience fun and educational adventures in nature while developing their art and creativity. They will start the day with energetic activities and develop their imagination by reinforcing their artistic and cognitive work throughout the day with nature-themed experiences and fun vocational workshops. Balmy Foresta, where every moment turns into an opportunity for discovery and learning, provides a warm and friendly environment specially designed for children while offering unforgettable memories.

Buddy Concept

We have prepared a full holiday experience for children aged 8-12 that supports both physical and mental development! In specially designed art and science workshops, they will get acquainted with science and technology, discover through chemistry experiments, and learn through interactive games while spending time in touch with nature. They will become chefs in the cooking workshops and painters in the art workshops; they will develop their imagination with creative activities. Every day at Balmy Foresta will be an adventure full of new discoveries and unforgettable memories!

Next Zone Teenage Club

Balmy Foresta Teens Club offers a world full of fun, discovery and socialisation for young people aged 13-17. From strategy games to art workshops, from console games (Xbox / PlayStation) to VR experiences, from table tennis to billiards, young people make new friends while having a pleasant time with many activities.

While adding colour to their holidays with karaoke parties, they find the opportunity to discover new talents in DJ lessons and special workshops. Balmy Foresta Teens Club offers an unforgettable holiday experience where young people can socialise freely and improve themselves while having fun.

-18 Night Club

Balmy Foresta Teens Club offers an unforgettable night experience with its '-18 Night Club' special for young people! Here, young people can choose their own music, take the stage with DJ performances, set the rhythm and bring the energy to the peak. This special disco, illuminated with neon lights and decorated with phosphorescent details, turns into an atmosphere where young people dance freely, have fun and shine. In this age-appropriate, safe and energetic environment, young people step into the magical world of neon party with colourful wristbands, UV lights and glowing accessories and enjoy the fun in this unique area of Balmy Foresta!

Mini Welcome Package

"All Kids are VIP!"

Every child is special and precious to us! We carefully consider every detail to maximise the comfort, happiness and fun of our little guests. We offer them surprises that will make them feel privileged, special touches that offer comfort and fun experiences that will make their holiday unforgettable. A special Welcome Package that will make them smile at the very entrance is waiting for our little guests. Activities & Workshops

Sound Healing

In the heart of serenity and peace, you are invited to a unique experience that heals your soul and body. With Sound Healing, every note, vibration and frequency balances the energy flow in your body, relieving you of stress and offering deep relaxation.

Rediscover your inner peace on this journey filled with the sounds of nature, melodic timbres of instruments and healing vibrations. Listen to the healing power of sound and renew your mind and body.

Hand Drum & Yoga

While exploring the limits of your body with yoga, you will flow in harmony with your breath and reach physical and mental serenity with poses that gain flexibility and strength. Hand Drum's melodic rhythms will bring flow to your yoga practice, making each movement more meaningful and powerful. On this unique journey, discover the harmony of rhythm and yoga, feel the inner peace in every note and every breath.

SUP Yoga

Are you ready to discover the magic of doing yoga while floating on the sea? SUP Yoga offers a unique experience where you will renew your body and mind by integrating with nature.

Accompanied by the soothing sound of the waves, you will both increase your flexibility and achieve mental calmness while practising yoga postures by balancing on the water. As your every movement is reflected on the surface of the water, your body will be strengthened and your soul will be liberated.

SUP Board

Stand-Up Paddleboarding (SUP) offers an excellent experience for both water sports enthusiasts and those who want to spend time in nature.

As you paddle while maintaining your balance, you will both strengthen your muscles and get a great cardio workout with this activity that works your whole body. Feel the freedom against the waves and go on a unique discovery on the water!

(Free lessons are available and advanced training is available at an additional cost).

Water GYM

How about keeping fit with the relaxing effect of water? Water Gym offers a unique fitness experience that utilises the natural resistance of water to strengthen your muscles without putting strain on your joints.

Supported by new generation equipment, this special workout combines the therapeutic power of water to help you shape your body and refresh your energy.

Adult Workshops

The art workshop organised for adults at Balmy Foresta offers participants the opportunity to discover their inner creativity and express themselves through art. In the workshop, which takes place in a peaceful atmosphere intertwined with nature, different techniques such as painting, ceramics and photography can be learnt. In addition, both the creative process and sustainability are supported by using natural materials and environmentally friendly tools.
