

AT A GLANCE

Welcome to the newly renovated Greek Pride Hotel, located in the picturesque Skala Fourka! Our hotel offers 89 rooms of various types: double rooms, triple rooms, family rooms, junior suites, and suites.

The hotel is divided into two parts: one located by the sea, on the beachfront, and the other in the center of the village, in a quiet area yet within walking distance to the center. Rooms in the seaside part offer sea and pool views, while rooms in the garden part offer garden views. For the convenience of our guests, a shuttle bus service is provided to the restaurant where breakfast and dinner are served.

Regardless of the type of room, you will be impressed by their decor and modern amenities.

We invite you to enjoy comfort and high-quality service at the newly renovated Greek Pride Hotel!
